Dear Sir,

As part of the *General Call for Proposals 2005*, you sent a full proposal for the above Socrates Action.

Having completed the selection phase, we unfortunately have to inform you that your proposal was not selected.

The European Commission considered that the following eligibility criteria have not been met:

- Compliance with the minimum number of partners

Should you wish to submit a pre-proposal under this Action or any other Socrates Action, we suggest you visit the Europa website (<http://europa.eu.int/comm/education/socrates/download.html>) where you will find the *Guide for Applicants* and various Calls for Proposals.

Thank you for showing interest in the Socrates programme and for your work in preparing a full-proposal. We hope that you will pursue your interest in European co-operation in education.

Yours faithfully,

Belen Bernaldo de Quiros

Head of Unit
